

RE

In RE we will be covering the following themes:

- Covenant: Children will learn that a Covenant is an agreement between God and us.
- Joseph: Children will learn how Joseph became an important advisor to the Pharaoh in Egypt.
- Moses: Children will learn about the life of Moses including the Burning Bush and the Ten Commandments

Maths

In Maths, we will be learning about number and place value to 1 million. We will be building on our previous knowledge to multiply and divide by 1000. Also, we will order and compare numbers with 3 decimal places.

Multiplying and Dividing by 10, 100 and 1000

Tens	Ones	Tenths	Hundredths	Thousandths
3	8			
$\div 10$		3	8	
3	8			
$\times 10$			3	8

Tens	Ones	Tenths	Hundredths	Thousandths	
3	8				
$\div 100$		0	3	8	
3	8				
$\times 100$				3	8

Tens	Ones	Tenths	Hundredths	Thousandths		
3	8					
$\div 1000$		0	0	3	8	
3	8					
$\times 1000$					3	8

Order and Compare Numbers with Three Decimal Places			
Ones	Tenths	Hundredths	Thousandths
	$\frac{1}{10}$	$\frac{1}{100}$	$\frac{1}{1000}$
0	.	2	1 3

Ones	Tenths	Hundredths	Thousandths
1	.		$\frac{1}{1000}$
1	.	0	2 2

Ones	Tenths	Hundredths	Thousandths
1	$\frac{1}{10}$	$\frac{1}{100}$	$\frac{1}{1000}$
2	.	1	0 3

Year 5 Knowledge Map

Advent 1

2025/2026

PE

All children to wear their P.E. kits every Wednesday.

MUSIC

Children will be learning some rock vocals, whilst listening to, appraising and performing Bon Jovi's 80s hit - Livin' on a Prayer. Children will perform and learn to sing music by a range of modern day composers to perform in Wembley as a part of 'Young voices.'

FRENCH - comparing French schools to schools we have in England.

Reading & Writing

Our class novel this term is 'There's a boy in the girls' bathroom ' by Louis Sachar. It's a heart-warming story of bravery and acceptance form the best selling author of 'Holes' and 'Fuzzy Mud'.

In English, children will be writing a non-chronological reports and will be performing their own poetry to their peers.

Can you learn the meaning of the Y5 grammar terms below?

Modal Verb

Modal verbs change or affect other verbs in a sentence. They are used to show the level of possibility, indicate ability, show obligation or give permission.

Relative Pronoun

Relative pronouns (who, which, where, that, when) introduce a relative clause. They refer back to a noun or clause that we already know.

Relative Clause

A relative clause is a special type of subordinate clause which adds extra information to another noun or clause.

Parenthesis

We use parenthesis to add extra detail to a sentence which is already grammatically correct without it. We can use brackets, dashes or commas to separate the parenthetical information from the main sentence.

ART—ANDY WARHOL

In Art, children will create work inspired by Andy Warhol. Andy Warhol was an American artist whose work is a type of art called Pop Art. Children will explore techniques such as printing, blotted line and experiment with colour tones.

Our School Prayer

God grant me a kind and honest heart.

Sacred Heart of Jesus

Have Mercy on us

SCIENCE - FORCES & MAGNETS

Subject Specific Vocabulary

friction	Friction is a force between two surfaces that are sliding, or trying to slide, across each other.
gravity	Gravity is a force which tries to pull two objects towards each other.
air resistance	Air resistance is a type of friction between air and another material. For example, when an aeroplane flies through the air.
water resistance	If you go swimming, there is friction between your skin and the water particles.
levers	A lever can be described as a long rigid body with a fulcrum along its length.
pulleys	Pulley is a simple machine and comprises of a wheel on a fixed axle, with a groove along the edges to guide a rope or cable.
gears	Gears are wheels with teeth that slot together. When one gear is turned the other one turns as well.
parachute	A parachute is a device used to slow down an object that is falling towards the ground. As the parachute opens, the air resistance increases.
Galileo	Galileo developed the telescope to enable close observation of the night sky.
Newton	During his lifetime, Newton developed the theory of gravity and made breakthroughs in the area of optics, such as the reflecting telescope.

In Year 5, the children will explore the concept of forces and magnets, which are fundamental to understanding motion and the physical world.
