Maths

Children will be learning to work with money by exploring different ways to make the same total and practising how to find change. They will use part-whole models to break amounts into coin combinations and bar models to help them visualise totals, spending and change. These strategies will support their understanding and problem-solving skills.

Prayer

Loving God,

As we begin our Lenten journey, help us to walk with Jesus each day. Open our hearts to listen to Your word. Guide our hands to do kind and loving things. Fill our minds with thoughts that bring peace. May our prayers, our choices, and our actions bring us closer to You and closer to one another.

Sacred Heart of Jesus I place all my trust in you.

Amen

P.E

In P.E children will be focusing on gymnastics and dance.
