

Year 6 Knowledge Map - Lent 1 - 2026

Prime Numbers

A prime number is a whole number greater than 1 that cannot be exactly divided by any whole number other than itself and 1 (e.g. 2, 3, 5, 7, 11).

Angles

Angles are all around us. An angle is created when two straight lines meet.

- An angle less than 90° is acute.
- An angle between 90° and 180° is obtuse.
- An angle greater than 180° and less than 360° is reflex.
- An angle of exactly 90° is a right-angle.

SQUARE NUMBERS	1	4	9	16	25	36	49	64	81	100

PSHE/RSE Healthy Relationships

When a conflict gets out of hand, it can help to involve a trusted adult. Sometimes people disagree because our brains process information differently from each other. Children will develop ideas on how to build resilience through thankfulness, use simplified CBT (Cognitive Behaviour Therapy) techniques to manage their thoughts, feelings and actions and cope with new or difficult feelings such as romance and rage.

RE- Galilee to Jerusalem

In this unit, children will explore the Gospel of John: - from The Prologue and First Miracle through The Second and Third Miracles to the 'I am Statements'. Children will use theological vocabulary to explain what Catholics believe about Jesus'

Dates

Back to school – 5.1.26
PGL – 3.6.26

PGL

Year 6 will be embarking on a residential trip to PGL, where they will take part in a variety of activities which will help further their independence and celebrate the end of their primary education. This will take part on

**Wednesday 3rd June
– Friday 5th June.**

Our School Mission Statement

Jesus at the Heart of all that we do.

English

Our class novel is ...

St Kizito

St Francis

In English, we will be reading the book 'Arthur Spiderwick's Field Guide to the Fantastical World Around Us'. The children will be creating a non chronological report in the style of the field guide, about an innovated creature of their own imagining. Children will explore a wide range of vocabulary and use a thesaurus to extend their language. The children will complete the term by writing a balanced argument.

How can we make our writing more interesting?

- ✓ Use a variety of sentence lengths.
- ✓ Include a range of clauses
- ✓ Use outstanding vocabulary
- ✓ Vary your sentence openers
- ✓ Use imagery, metaphor, personification and similes

Use the QR to learn more about rules for adding prefixes and suffixes to root words.

Virtues and themes for Lent 1 are Friendship, Love of Neighbour and Self Control.

Learn these spellings and try to include them in your written work

malevolent	supernatural	terrifying
forbidding	peculiar	fearsome
fundamentally	benevolent	nuisance
physical	fascinating	immediately
stomach	moreover	temperature

Year 6 Knowledge Map – Lent 1 - 2025

Science -Animals including Humans: Healthy Bodies

The main parts of the circulatory system are the heart, veins, arteries and blood vessels.

The main functions of the heart, lungs and blood vessels are to transport substances around the body.

The digestive system breaks down nutrients using glands in your stomach.

lining which make stomach acid and enzymes that break down food.

Muscles of your stomach mix the food with these digestive juices.

Pancreas. Your pancreas makes a digestive juice that has enzymes.

that break down carbohydrates, fats, and proteins.

The 5 Key Elements to a Healthy Lifestyle are:

- 1) A Balanced Diet. A balanced diet is easier and more beneficial than a low-fat or low-carbohydrate diet for most people to maintain;
- 2) Regular physical activity;
- 3) Maintaining a regular sleep pattern;
- 4) Managing stress;
- 5) Using supplementation.

MFL

Pupils will be learning how to articulate their daily weekday routine . Pupils will also discuss in French what they have had for breakfast and compare a typical British Breakfast with a French Breakfast.

Lenten Prayer

Loving God,
As we begin our Lenten journey,
help us to walk with Jesus every
day.
Open our hearts to listen to Your
word.
Guide our hands to do kind and
loving things.
Fill our minds with thoughts that
bring peace.
May our prayers, our choices, and
our actions bring us closer to You
and closer to one another.

Sacred Heart of Jesus
I place all my trust in you.
Amen.

Key Vocabulary

circulatory system	A system which includes the heart, veins, arteries and blood transporting substances around the body.
heart	An organ which constantly pumps blood around the circulatory system .
blood vessels	The tube-like structures that carry blood through the tissues and organs. Veins, arteries and capillaries are the three types of blood vessels.
oxygenated blood	Oxygenated blood has more oxygen. It is pumped from the heart to the rest of the body.
deoxygenated blood	Deoxygenated blood is blood where most of the oxygen has already been transferred to the rest of the body.

History - Battle of Britain

World War 2 was a battle between two groups of countries – the 'Allies' and the 'Axis'. The major Allied powers were Britain, France, Russia, China and the United States. The major Axis powers were Germany, Italy and Japan. Adolf Hitler, together with the Nazi Party, wanted Germany to rule Europe.

To gain more land and power, on 1 September 1939 German troops invaded Poland. After Hitler refused to stop the invasion, Britain and France declared war on Germany – World War II had begun. During the course of the war, German forces advanced through Europe. By the summer of 1941 they had invaded France, Belgium, Holland, Luxembourg, Denmark, Norway, Greece, Yugoslavia and the USSR. Life changed dramatically for Britons during the war. World War 2 officially ended on 2nd September 1945.

Art - Barbara Hepworth

Barbara Hepworth (born January 10, 1903, Wakefield, Yorkshire, England—died May 20, 1975, St. Ives, Cornwall) was a sculptor whose works were among the earliest abstract sculptures produced in England. Her lyrical forms and feeling for material made her one of the most influential sculptors of the mid-20th century. Pupils will be manipulating clay to create patterns, tone and mark make to produce an abstract sculpture.
