

Year 1 Knowledge Map

Lent 1 2025

Term Dates

Fr Allan visiting 1St Francis - 3rd March
Pancake day - 4th March
Ash Wednesday - 5th March
World Book Day—6th March
Fr Allan visiting 1St Kizito -10th March
St Patrick's Day—17th march
Visit to Stockwood Park Museum—19th March
Easter Craft Morning—25th March
Parents Consultations—26th and 27th March

P.E

Children will be leaning fundamental skills in athletics this half term and how to work as part of a team. Children will also be taking part in racket sports including Tennis and Badminton.

RE

In R.E are learning about the temptation that Jesus faced in the desert and the events of Holy week.

The last supper happened after palm Sunday and before Jesus's crucifixion

Ashes show that we believe in Jesus.

Lent is a time of preparation for Easter.

A Spring Prayer

May the sunlight and the rain be reminders that You are at work renewing the earth. As a God of renewal, You are ever at work in our lives, too. Open our eyes and lives to the needed changes in our lives this Spring. Awaken us to new life and perspective, for we pray in Jesus' name.

RSE

We will be looking at how to stay safe on line. Watch the clip to see ways to keep yourself safe.

Geography

In Geography the children are looking at our local area and transport. We will then be looking at how far other cities and countries are in relation to where we live. We are looking at how we can travel to these destinations. When we visit Ireland we can take a ferry or go on an Aeroplane. But if we pop to the shops we may just walk, go on a bus or in a car.

Look at the trees, the new buds are beginning to shoot and soon new leaves and flowers will bloom. Do you have a favourite flower? You could draw it?

Science

We are learning about Seasonal Changes around Spring. You will notice the weather gets a little warmer, the days stay lighter for longer. Watch this clip to look at the four different seasons. What season is your favourite?

Scan me

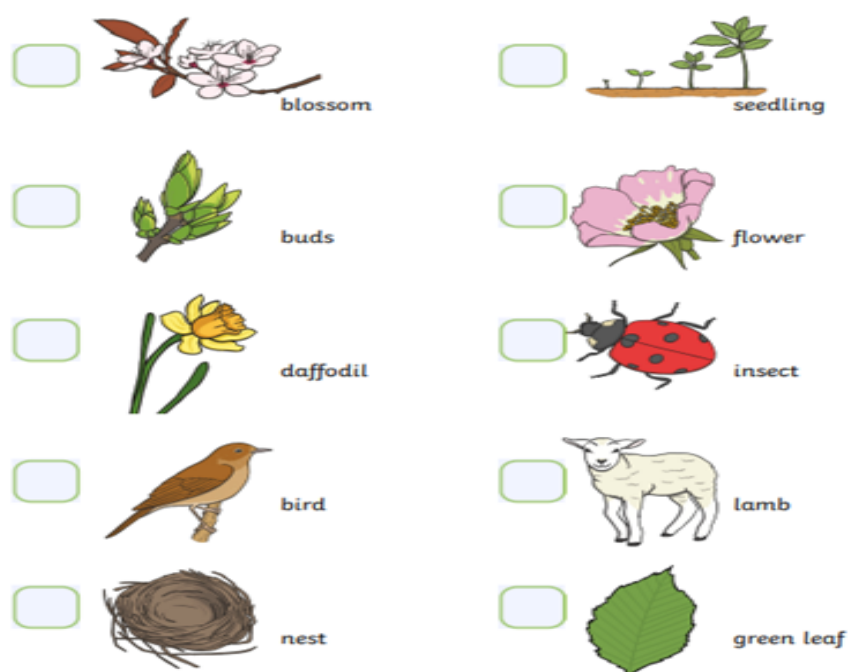

Key vocabulary to learn:

- Spring
- Easter
- Chicks
- Lambs
- Planting
- Seeds
- Flowers
- Daffodils
- Bloom
- Hatch

On your way into school how many of these Spring items can you tick off from your list?

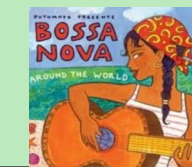

Spring Hunt Checklist

MUSIC

All of the children's learning is focused around one song: Round And Round, a Bossa Nova Latin style. We will be looking at different songs in other styles: • Round And Round (Bossa Nova) by Joanna Mangona • Livin' La Vida Loca (Latin/Pop) by Ricky Martin • March Of The Empire (Film music) by John Williams • It Had Better Be Tonight (Latin/Big Band Jazz) by Michael Bubl  • Why Don't You (Big Band/Dance) by Gramophonedzie • Oye Como Va (Latin/Jazz) by Santana.

Maths

In maths we are looking at 'Think 10'. This is when we use addition to make 10 first.

For example:

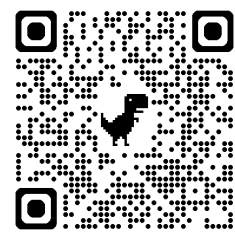

$$\begin{array}{r} 7 + 6 = \\ \swarrow \searrow \\ 7 + 3 \quad 3 \\ = 10 \\ 10 + 3 = 13 \end{array}$$

Last half term we looked months of the year. Mrs Conroy was born in March and Miss Stones was born in June. Tell your grown up what month you were born in.

Oxford Reading Owl

Don't forget to login to access Oxford Reading Owl to support reading at home.

Phonics

We are learning our Set 2 and 3 sounds. Scan the code to find out more about supporting phonics at home:

Practice reading these nonsense words using 'Special Friends, Fred Talk, Read the Word: +

Remember to click on Rosie Video links that are sent out every week via Parentmail.

English

In English we will be exploring the story Madlenka and her multi cultural neighborhood.

Madlenka lives in New York City. She has lived on the same block, in the same building, in the same apartment since the day that she was born. Everyone on the block knows her, and they are all friends: the French baker, the Indian news vendor, the Italian ice cream man, the German lady who sits by her window, the Latin American green grocer, and the Asian shopkeeper. For Madlenka, a trip around the block is like a trip around the world.

Scan me

DT

In DT we are looking at moving vehicles.

We will look at how different vehicles move and how many wheels they may have. Wheels are attached to an axle. The axle moves inside an axle holder. The axle holder is attached to the body of the vehicle or toy. We will then be designing our own moving vehicle and then making it.

Scan the code to see how wheels and axels work together!

Scan me

Key words

- Axle- A long straight rod which connects to a rotating part (e.g. the wheels of a car).
- Axle holder—The part of a mechanism which holds the axle steady.
- Mechanism Parts of an object that move together to make something work.
- Wheel - A circular object that turns round. It can be fixed to a vehicle like a car or a bicycle to allow the vehicle to move easily over the ground.
