

# Maths

Year 5 children will be deepening their knowledge and skills of measurements

### Key concepts covered this half term are:

- Converting between different units of metric measure
- Solving problems involving converting between units of time
- Using all four operations to solve problems involving measure including scaling
- Multiply and divide decimal numbers by 10, 100 and 1000.

I can choose appropriate units of measurement for length, volume, capacity and mass.

#### Length

Millimetres = mm    Centimetres = cm    Metres = m    Kilometres = km

#### Mass

Milligrams = mg    Grams = g    Kilograms = kg

#### Volume and Capacity

Millilitres = ml    Litres = L    Kilolitres = kL

### Dates to remember:

- 10th March** - Science Workshop—more details to follow on Parentmail
- 16th March** - Easter crafts
- 17th and 19th March**—Parents Evening
- 25th March**—Easter Production

# Year 5 Knowledge Map Lent 2 2025 -2026

## RE

Our topic this term is called 'Desert to Garden'. We will be looking at Ash Wednesday and its significance in the Easter story. We will be exploring The Sorrowful Mysteries of the Rosary. We will also explore how Scripture can help us to Return to God. We will be making the links between Ash Wednesday and Lent as a time when Christians reflect on their sins as well as defining what a sin is. We look forward to seeing all parents at our Easter Production at our church as we follow the journey of Jesus from the Last Supper to his Resurrection.

### Dates :

- 25.04.26 2.00pm in the church
- 25.04.26 5.00pm in the church

**Matthew 6: 1-6**

**Matthew 6 : 16-18**

**Matthew 5: 1-12**

**Matthew 17: 1-9** Look up these passages in the Bible.

**PE** for Year 5 will take place on Wednesday for St Kizito and St Francis. Please remember to wear your PE kit to school on this day. Please ensure that long hair is tied up at all times and earrings are removed before the lesson.

### A prayer for Lent

Loving God,

As we begin our Lenten journey, help us to walk with Jesus each day. Open our hearts to listen to your word. Guide our hands to do kind and loving things. Fill our minds with thoughts that bring peace. May our prayers, our choices and our actions bring us closer to you and closer to one another.

Sacred Heart of Jesus, I place all my trust in you

## Our School Mission Statement

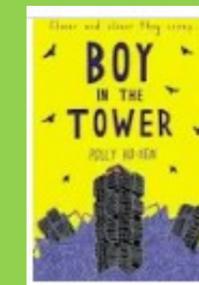

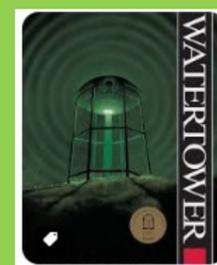

# Jesus at the Heart of all that

## English

In English we will be using the book ' Watertower'. We will be planning and writing a recount of a suspenseful scene using figurative language. We will be very excited to share our reviews with other classes to get feedback.

We are very excited about working on writing a mystery and suspense short story using ideas from the book 'Boy in the tower'.

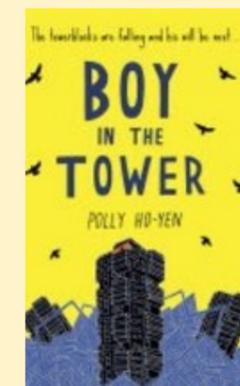

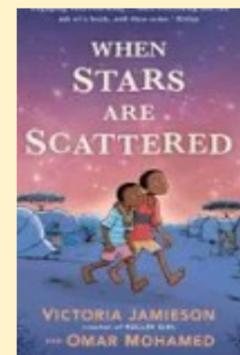

Finally, we are especially looking forward to working on performance poetry from 'Rhythm and poetry' by Karl Nova.

### Guided reading this half term :

When Stars are Scattered by Victoria Jamieson

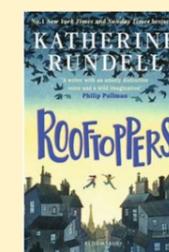

Boy in the Tower by Polly Ho-Yen

### Our class novel for this half term is:

St Kizito - The Haunting of Aveline Jones by Phil Hickee

St Francis—Roof Toppers by Katherine Ruddell

# Geography

## We will be learning about :

- What trading is;
- the difference between imports and exports;
- Countries the UK exports good to / imports goods from
- How goods can be produced of more than a country;
- How trade takes place today;
- Products that are fairly traded
- How trade took place in Tudor and Victorian times;

**Vocabulary:** **fair trade, trade, globalisation, global supply chain, multinational, economy, import, exports,**

## RSE

We will continue to explore some of the pressures of pubescent young people can face from others, their own expectations and the media. We will also be discussing the importance of online safety. We will also look at the nature of God's call to love others.

## DT Great British Dishes

In this project children will design, make and evaluate a midday meal of their own creation. Children will have an awareness of food availability, seasonality, production methods and explore savoury foods. Also, children will secure their understanding of instructions and how to follow them, as well as exploring multicultural food.

## MFL

As part of our work in French this half term we will be looking at the vocabulary related to moving

Key Vocabulary			
f = feminine		m = masculine	
un magasin (m)	une école (f)	une église (f)	un musée (m)
un café (m)	une piscine (f)	une gare (f)	une pâtisserie (f)

## Our School Mission Statement

Jesus at the Heart of all that we do.

## Music

In Music this half term we will be learning the songs for our Easter Production.

# Science

In our Earth and Space topic we will study of the planet Earth within the context of the wider solar system, including subjects like the Earth's movement, its relationship with the sun and moon, planetary science, the composition of the atmosphere, and the impact of celestial events on our planet. We are very excited about our **Earth and Space workshop** taking place in March. We are sure children will enjoy the opportunity to deepen their understanding and learn a lot of interesting facts about our solar system.

## Earth and space vocabulary includes terms like:

**planet, star, galaxy, moon, asteroid, comet, orbit, atmosphere, constellation, satellite, astronaut, nebula, eclipse, solar system, black hole, light-year, gravity, meteor, and the Milky**
