

Year 4 Knowledge Map - Pentecost 1 - 2025-2026

English

This half term in English we will be writing persuasive speech and letters using the text Malala's Magic Pencil by Malala Yousafzai as a stimulus.

We will also be writing Non Chronological Reports, these are non fiction texts which focus on a single topic and presented in a way that is not in time order.

RE

In RE, we are learning about the feast of Pentecost.

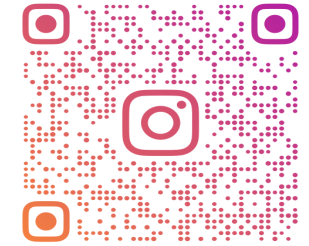

The Holy Spirit has been sent to guide and help us to live in the light of Christ; following virtues from the bible to continue to grow closer to God.

Pentecost Prayer

Father in heaven, at Pentecost, you sent your Spirit to be with the disciples, filling them with joy, peace and courage. May we be filled with your Spirit, so we can be a light in the world. Amen

SHEARTLUTON

Maths

Division: Children will divide two and three-digit numbers by a one-digit number using a formal written layout.

Time: Children will read, write, calculate and convert time on analogue and digital 12- and 24-hour clocks.

Statistics: Children will interpret and present continuous and discrete data, solve problems incorporating measures.

Roman Numerals - identify and write numbers to 100.

Scan this QR code to get onto TTRS! Try to rehearse all of the multiplication and division facts.

ART: Mosaics

Mosaics are a form of art where a surface is covered by small pieces of objects, like stones or tiles, that fit together tightly. We will be researching Roman mosaics. The children will replicate, design and create their own mosaics.

History: The Romans impact on Britain

This term in History, we will be learning about the Romans and their impact on life in Britain.

Boudicca was a queen of the British Celtic Iceni Tribe who led an uprising against the occupying forces of the Roman Empire

Life before the Romans When the Romans came to Britain they helped us by creating roads; a written language (which was Latin) and introducing coins.

Reading

In Guided Reading, we will be exploring the texts Shackleton's Journey by William Grill and Call me Lion by Camilla Ches-

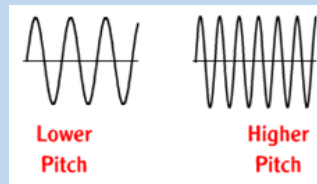

Music

In Music we will be looking at and learning the song Black-bird by The Beatles . Exploring the dimensions of music , singing and playing instruments to this hit song.

Science

This term, we will learn about sound and how we hear sounds. We will explore how sound travels from a source to our ears. We will carry out science investigations such as fair tests and pattern seeking enquiries.

PSHE : This term we will be looking at the module—Created to Love Others. This explores the individual's relationship with others. It will build on the understanding that we have been created out of love and for love, this module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe both online and in our daily lives.
